NOW ACCEPTING MEMBERSHIPS

The purpose of the Palm Harbor Business OASIS is to provide a venue for local business people to meet, conduct business, network with their contemporaries, and relax. Our building offers facilities to hold meetings, private consults, seminars, conduct business (wireless enabled) or simply catch up on the latest in the world of business. The OASIS is ideal for small businesses who are without such facilities, and for business people who do not wish to commute to their downtown offices. Membership is just \$50 per month. Stop by for a visit and indulge yourself.
